What is Home Choice Plus?

Home Choice Plus has been designed to improve access to social housing. The advantage is that you only register once and the scheme allows you to view and bid on available properties for which you are eligible for across all of the districts.

Home Choice Plus has been developed by a number of Local Authorities and Registered Social Landlords, working in partnership.

Home Choice Plus is a new way of allocating Social Housing across the participating Local Authority areas.

This booklet explains how to look for housing across all of the Districts, involved in this scheme.

Please note: Not all of the above Councils will own their own housing stock, some of it may now be owned by Housing Associations.

Councils and Housing Associations can help fund new build affordable homes to meet housing need.

Who is eligible to join the Home Choice Plus register?

Anyone can join Home Choice Plus, but you may be excluded if you have a history of serious rent arrears or anti social behaviour.

People who are not eligible include:

- Some people travelling to the United Kingdom are not entitled to social housing on the basis of their immigration status.
- Some people who have previously been guilty of unacceptable behaviour. This could include anti-social behaviour or neighbourhood nuisance.
- You must be over the age of 16 to apply to join. However, if you are under the age of 18, please contact your local housing department, to discuss your options further.

These are the partnership areas:

Bromsgrove District

Malvern Hills District

Stratford-on-Avon District

Worcester City

Wychavon District

Wyre Forest District

What happens next?

When we have received your completed application form, we will register your details and send you a letter confirming your personal registration number, date of registration and the banding you have been placed into.

Your registration number is very important, as you will need this when placing 'bids' for properties.

Your responsibilities once accepted onto Home Choice Plus register

Tell us if there are any changes in your circumstances, these may include:

- A change of address
- Changes in your local connection
- Birth of a child
- Medical reasons
- Someone moves in or out of your household

We will remove you from the Home Choice Plus register if you:

- Ask to be removed;
- Change address and do not tell us;
- Do not get in contact with us when we ask you to do so;
- Do not make a bid within two years of applying to the scheme – a new application will have to be made.

2

How does the banding system work?

Once you have registered, you will be asked about your circumstances. If you have an urgent need for re-housing, your individual housing needs will be assessed so that you are awarded the correct banding.

When your application is placed in a band (determined by your circumstances) you will be notified of this award, along with the length of time that it lasts. You will need to reapply for this award, depending on its limit, 3 months, 6 months or 12 months.

This is only a brief outline of each of the banding criteria and more detailed information is available upon request. Evidence will be collected and checked before households are placed into a band.

Note: If there is a significant change in your circumstances, which results in a higher banding being awarded, then your waiting time on the list will be effective from the date that the band changed.

If you have multiple housing needs, this may be reflected in the band you are allocated.

If the change in circumstances results in your banding being altered to a lower banding, then your waiting time on the list will be effective from the date you joined the list.

Banding due to homeless criteria, will only apply in the Local Authority area where that assessment was made.

Local Connection

We regard Local Connection as indicated below:

- Those who are normally resident in the Local Authority area. Local Government Association guidelines define this as having resided in the area for six of the last twelve months, or three out of the last five years, where residence has been out of choice;
- Those who are employed in the Local Authority area – the Local Government Association guidelines define this as employment other than of a casual nature;
- Those who have family connections in the Local Authority area – the Local Government Association

guidelines define this as immediate family members who have themselves lived in the area for five years.

Local Connection is defined in Part VII of the Housing Act 1996.

Deliberately worsening circumstances

If there is evidence that an applicant has deliberately worsened their circumstances in order to qualify for a higher banding, no additional award will be given and their original banding will remain.

Examples of deliberately worsening your circumstances would include:

- Selling a property that is affordable and suitable for your needs.
- Moving from a secure Assured Tenancy to insecure, overcrowded accommodation with family or friends.
- Where there is evidence that you could have remained in your original accommodation.

At the applicants request this decision may be reviewed after a period of at least 12 months.

Bandings

Priority

Priority is initially awarded for three months and is only awarded where Home Choice Plus, has accepted a homeless duty under part VII of the Housing Act 1996 as amended.

- Homeless applicants will be expected to bid for all properties, for which they are eligible.
- Homeless applicants will be expected to have made a bid within the first 2 weeks. If they have not made a bid within this time, then bids will be made on their behalf, by Home Choice Plus, on properties for which they are eligible.
- If a suitable offer is refused the homelessness duty may be discharged and the applicant may cease to have a priority status.

Gold Plus

- Homeless applicants where there is no statutory duty to re-house (excluding those who are intentionally homeless).

- Tenants of a partner Registered Social Landlord, who are living in family homes bigger than they need and wish to move to smaller housing.

In Person

- Free internet access to view as well as being able to bid online.

Digi TV

Available for some regions to anyone with a interactive digital television.

Community Outlets

Newsletters may be displayed in many community outlets, for example; libraries, parish councils, supermarkets etc.

Note: Properties will be advertised every **Tuesday** at the start of the bidding cycle, except when this falls on a bank or public holiday. They will then be advertised on the following day.

If no properties are vacant then no adverts will appear.

Please note that:

- The properties do not have carpets, furniture or kitchen appliances (cooker, fridge etc.).
- Some have sheds for extra storage. Newer properties may have good storage space and provision for kitchen and laundry appliances.
- Councils/Housing Associations are working hard to make sure that their properties reach the governments 'Decent Homes' standard.
- Councils/Housing Associations must keep their properties in good repair.

Will I be housed more quickly?

This will depend on your housing need, the availability of the type of property you need and also the area(s) you are considering.

You will have a longer wait for the more popular properties or areas.

Applicants or tenants of a Council/Housing Association will have a greater chance the longer they have been registered.

If you do not bid for properties you cannot be considered for them, so it is important to be active in the Home Choice Plus scheme.

4

What is a 'bid'?

Don't be worried about the word 'bid'; you won't be parting with any money. All this means is that you are actively interested and wish to be considered for the property or properties you are applying for.

How do I make a bid?

You can bid for properties in a number of ways.

To make a bid you will need to have details of your personal registration number, your date of birth and the property reference number(s).

If you see a property that you are eligible for, you can ask a friend, relative or any other helper to make a bid on your behalf.

You can only bid for properties where you match what the advert asks for.

For example, the property advert states 'suitable for a couple and 2 children only', regardless of your banding if you are a couple with 2 children, you can bid for that property. Please read the advert carefully.

When can I bid for a property?

Properties will be advertised each Tuesday morning at 9am. You can bid any time until 12 midnight on the following Monday.

This is called

The weekly bidding cycle

Note – Properties will be advertised every Tuesday, at the start of the bidding cycle, except when this falls on a bank or public holidays. They will then be advertised on the following day.

If no properties are vacant, then no advert will appear.

How many properties can I bid for?

The properties will be advertised each week and you can make up to 3 bids in any one weekly bidding cycle, for properties of your choice, **as long as you match what the advert asks for.**

You can remove and replace your bids at any time throughout the cycle.

I am a partner Housing Association tenant, can I still bid for properties?

If you are an existing Council or Housing Association tenant, with one of the Councils or Housing Associations (listed in this booklet) and are seeking a move, you will need to register with Home Choice Plus. You will need to have a genuine reason for moving, this may be that your family size has changed, or you have a medical reason for wanting to move.

You will need to have a clear rent account and your home must be in good order.

Your Landlord must agree to the move.

Are there any reasons that I may not be allowed to bid?

If you have a history of anti-social behaviour within the last 2 years, you may not be considered through Home Choice Plus.

If you have rent arrears to a former landlord you will be allowed to register, but may not be eligible to bid on any properties, until you have cleared these arrears.

Some people from overseas where their immigration status has not been determined will not be registered until their application has been investigated.

Anyone making false applications may be liable to prosecution.

False statements and withholding information

This scheme falls within the provisions of Part VI of the Housing Act 1996. Section 171 of the Act states:

- (1) A person commits an offence if, in connection with the exercise by a local housing authority of their functions under this Part –
 - (a) He knowingly or recklessly makes a statement which is false in material particular, or
 - (b) He knowingly withholds information which the authority has reasonably required him to give in connection with the exercise of those functions.

Where section 171 applies, a relevant partner of Home Choice Plus may bring a prosecution and the applicant maybe excluded from the register.

You will then be contacted by the relevant Council or Housing Association.

6

You are successful

The relevant Council or Housing Association will carry out appropriate checks, which may include:

- Asking for proof of identification
- Asking for proof of income
- Home visit

It is important that you provide information as **quickly** as possible, when asked for it. If you delay, it may result in the property being offered to someone else.

Once they are happy with your application, a viewing will be arranged and a date to sign for the tenancy.

Note: If you are offered a property you will not be short-listed for other properties until you have decided to either accept or refuse the offer.

The results of the successful bidder's banding and date of registration in that banding, for each week will be advertised on the web site

www.homechoiceplus.org.uk.

Compliments & Complaints

Please refer to your local contact listed in this booklet for further information.

What if I refuse a property?

If the Council or Housing Association offers you a property and you refuse it, this will not affect your future bids, but you need to be aware, that the next time you bid, you may not be successful.

If you are a priority banding and a homelessness duty has been accepted under The Housing Act 1996, Part VII as amended under the Homelessness Act 2002 and you refuse a suitable offer, then the homelessness duty may be discharged and you may cease to have a priority status.

Appeals

If you disagree with a decision made on your application to Home Choice Plus you have the right to request a review of that decision.

You must submit your request within 21 days from the date of the final decision letter. For further information please contact Home Choice Plus, using your local number listed at the back of this booklet.
