If you answered "Yes" to question 1.3 you should not be making an application for a grant. If you are unable to answer "No" to this question, do not proceed any further with this application.

Regulation 7A of the Housing Benefit (General) Regulations 1987 can be **summarised** as follows:-

- (1) Subject to paragraphs (2) and (3), a "person from abroad" is a person who has limited leave to enter or remain in the United Kingdom which was given in accordance with any provision of Home Office immigration rules relating to:-

  - (c) is adjudged by the immigration authorities to be an illegal immigrant who has not subsequently been given leave to enter or remain in the United Kingdom, except a person who has been allowed to remain in the United Kingdom with the consent in writing of the Secretary of State; or
  - (d) is a national of a European Economic Area State and is required by the Secretary of State to leave the United Kingdom; or
  - (e) is not habitually resident in the United Kingdom, the Republic of Ireland, the Channel Islands or the Isle of Man, but no person shall be treated as not habitually resident in the United Kingdom who:-
    - i) is a worker for the purposes of Council Regulation (EEC)No.1612/68 or (EEC)No.1251/70 or a person with a right to reside in the United Kingdom pursuant to Council Directive No.68/360/EEC or No.73/148/EEC; or

  - (g) while he/she is a person to whom paragraph (1) or any of sub – paragraphs (a) to (d) and (f) of this paragraph applies, submits a claim to the Secretary of State, which is not finally determined, for asylum under the Convention relating to the Status for Refugees.
- 4 Most of the qualifying conditions for grant are waived for applications in respect of glebe land or the residence house of an ecclesiastical benefice; see section 95

- 5** A flat is a dwelling which is a separate set of premises, whether or not on the same floor, divided horizontally from some other part of the building.
- 5A** A “qualifying houseboat” is a boat or similar structure designed or adapted for use as a place of permanent habitation which:-  
 (a) has its only or main mooring within the area of a single local housing authority; and  
 (b) is moored in pursuance of a right to that mooring; and  
 (c) is a dwelling for the purposes of Council Tax, and includes any yard, garden, outhouses and appurtenances belonging to it or usually enjoyed with it.  
 (See the definition of “qualifying houseboat” in section 58)
- 5B** A “caravan” is defined in section 58. This expression -  
 (a) means a caravan within the meaning of Part 1 of the Caravan Sites and Control of Development Act 1960 (disregarding the amendment made by section 13(2) of the Caravan Sites Act 1968); and  
 (b) includes any yard, garden, outhouses and appurtenances belonging to it or usually enjoyed with it.
- 5C** Tick the box if the application includes works for the provision of facilities in the common parts of a building containing one or more flats.
- 5D** “garden” means a garden belonging to, or usually enjoyed with, a dwelling, caravan or flat occupied by a disabled occupant and includes –  
 (i) a balcony adjoining the dwelling of a disabled occupant;  
 (ii) a yard, outhouse or other appurtenance within the boundaries of the land in which the dwelling or caravan of a disabled occupant is situated and belonging to it or usually enjoyed with it;  
 (iii) a yard, outhouse or other appurtenance within the boundaries of the land in which is situated the building in which the dwelling, or as the case may be, flat, of a disabled occupant is situated and belonging to it or usually enjoyed with it; and  
 (iv) the land adjacent to the mooring of a disabled occupant’s qualifying houseboat.
- 6** Revoked by SI2003/2707
- 7** A notice or order under Part 1 of the Housing Act 2004 is either an improvement notice relating to category 1 hazards, an improvement notice relating to category 2 hazards, a prohibition order relating to category 1 hazards, a prohibition order relating to category 2 hazards, a hazard awareness notice relating to category 1 hazards, a hazard awareness notice relating to category 2 hazards, a notice of emergency remedial action or an emergency prohibition order.  
  
 “Hazard” means any risk of harm to health and safety of an actual or potential occupier of a dwelling or HMO or in any building or land in the vicinity (whether the deficiency arises as a result of the construction of any building, an absence of maintenance or repair, or otherwise) (Housing Act 2004 s.2(1)).
- 8** Please give details of all previous grant, loan or financial assistance from Local Housing Authority applications of which you are aware, and of any contribution notified under a group repair scheme (if known to you). Please also mention any minor works assistance and home repairs assistance you have received. Previous grant approvals may affect the works for which a grant may be given – and also, in the case of previous approvals of applications made to you, the amount of grant payable.
- 9** Planning permission or building regulations approval may or may not be required. If you are not sure whether permission or approval is required, contact the relevant department of the Council. Where permission or approval has already been obtained, please enclose a copy with your application.
- 10** Under section 37(4), payment of grant can be made only against an invoice, demand or receipt for payment for the works which is acceptable to the Council; and an invoice given by you or a member of your family is not acceptable. Thus, for example, where you or a member of your family carry out the works, an invoice (which can be authenticated) from a third party will be needed for the cost of the materials.  
 Section 98(1) defines “member of a family” by reference to section 113 of the Housing Act 1985. The definition includes spouses and civil partners; persons who live together as husband and wife or as if they were civil partners; parents; grandparents; children; grandchildren; brothers; sisters; uncles; aunts; nephews; and nieces.
- 11** Under Section 39, the Council may pay a grant (or part of a grant) either directly to the contractor or by cheque made out to the contractor but given to the grant applicant. The Council can do this only if, before approving the grant application, they informed the applicant that this would or might be the method of payment.

- 12** Under the Housing Renewal Grants (Services and Charges) Order 1996 (S.I.1996/2889), the preliminary or ancillary services and charges which may be included in a grant application are the cost of: confirmation, if sought by the Council, that you have an owner's interest in the property; technical and structural surveys; design and preparation of plans and drawings; preparation of schedules of relevant works; assistance in completing forms; advice on financing the cost of the relevant works which are not met by grant; applications for building regulations approval or planning permission (including the application fee and the preparation of related documents); obtaining estimates for the relevant works; advice on contracts; consideration of tenders; supervision of the relevant works; disconnection and reconnection of electricity, gas, water or drainage utilities where this is made necessary by the relevant works (but not charges arising from non-payment of bills); and payment of contractors.  
The services and charges of an occupational therapist in relation to the relevant works may be included in your application.  
If you are unsure whether to include a service or charge in your application, please ask the Council for advice. Please also see Note 10 for the documentation which the Council will require from you before they can pay any grant.
- 13** Under section 29, grant will not normally be paid if you, or anyone acting on your behalf, begin works before you receive written approval of this application. An exception may be made where the Council is satisfied that there were good reasons for beginning the works before the application was approved; but the application will be treated as excluding any works already completed. Where all the works have been completed, the Council is not allowed to approve the application.
- 16** You can make an owner's application if you own the freehold of the premises or hold a tenancy of the premises with at least 5 years still to run or if you are proposing to acquire either of these interests. If you hold a tenancy with less than 5 years to run, you are not eligible to make an owner's application but you should consider making a tenant's application instead.
- 17** A landlord's application is an owner's application for works to a house or flat which is or is intended to be let or to the common parts of a building in which a flat is or is intended to be let: section 31(1).
- 18** You can make a tenant's application if you are the tenant of the premises and the tenancy has less than 5 years still to run. Section 19(5) gives an extended meaning to the word "tenant" – for further information see **Note 37**.
- 19** You can make an occupier's application for works to a qualifying houseboat or a caravan if you occupy it, whether as a sole occupier or as a joint occupier with others. See also **Notes 5A** and **5B**.
- 20** These are the "owner's interests" as defined by section 101.
- 21** If you have exchanged contracts on a purchase, give the date that the purchase is to be completed. The Council cannot approve an owner's application for renovation grant until they are satisfied that you have acquired an owner's interest.
- 27** If you own or intend to buy the freehold of the property, or if you have or are proposing to take a tenancy with at least 5 years of the term still to run, you cannot make a tenant's application. You should instead consider making an owner's application.
- 31** The disabled occupant means the disabled person for whose benefit it is proposed to carry out any of the relevant works. Section 100 gives the meaning of "disabled person."
- 34** The Council is not allowed to entertain a grant application unless it is accompanied:-
- (a) in the case of an owner's application, by a certificate known as an "owner's certificate". See Note 35.
  - (b) in the case of a tenant's application, by an "owner's certificate" and another certificate known as a "tenant's certificate". See **Notes 35** and **36**.
  - (c) in the case of an occupier's application, by certificates known as an "occupier's certificate" and a "consent certificate". See **Note 36A**.

The Council may waive the requirement for an owner's certificate to accompany a tenant's application, or a consent certificate to accompany an occupier's application, if they consider the requirement unreasonable in the circumstances. As regards certificates see sections 21, 22 and 22A.

- 35** Under section 21(2), an “owner’s certificate” certifies that the applicant:-
