

HOW TO DO BUSINESS WITH MALVERN HILLS DISTRICT COUNCIL

A Guide for Contractors and Suppliers

December 2011

This guide has been published to help contractors and suppliers tender for contracts let by Malvern Hills District Council. It also provides an insight into our tender procedures for supplies and services.

Introduction

Malvern Hills District Council spends approximately £8 million each year with organisations of all sizes with a wide range of commercial opportunities.

A lack of information about opportunities and a lack of understanding of the Council's contracting procedures rules may be stopping some organisations from applying for Council Contracts. This guide aims to help overcome these difficulties and explains how to apply for contracts that are advertised and what is expected of you when working for the Council.

There is a great deal of competition for the Council's contracts and this guide cannot assure individual firms success, however, it should provide enough information to give you the opportunity to be considered for Council work.

About Us

Malvern Hills District Council has appointed a Procurement Officer whose role is to ensure that all procurement projects are undertaken within the Council's Contract Procedure Rules, Financial Regulations and EU legislation. The Council's aim with procurement is to use a variety of methods and contractual arrangements to help deliver The Council's Objectives, Vision and Values and to deliver high quality services to the local community.

Procurement is devolved to all Budget Holders within the authority. Our aim is to provide value for money on supplies and services bought and leased by the Council. This does not mean the cheapest but a balance between cost, quality and performance.

Implementing Electronic Government

Implementing Electronic Government is one of the ways in which Government is modernising public services to enable citizens, customers and businesses to conduct their relationships with public agencies by any means they find convenient. Whilst some organisations use traditional methods to do business with us we are encouraging our citizens, customers and businesses to use electronic means where ever possible.

For Procurement Implementing Electronic Government means reductions in costs associated with administration, invoice queries, credit control, prompt payment and enhanced customer relations for both ourselves and our suppliers.

For those companies who currently may not have any IT infrastructure grants may be available through Business Link subject to qualification criteria. Please contact your local branch office of Business Link for further details of their scheme and how to apply for a grant.

Procurement Cards

Certain types of contracts that may generate large volumes of invoices will be considered for this type of payment. Ideally your company will need to be registered for Level 3 (Line item detail) VAT. Whilst this will incur costs to our suppliers the benefit to the supplier is that payment can be received within 4 days. There are additional benefits in efficiencies for the supplier from eliminating the need to invoice the Council. The benefits to the Council are that we gain efficiency savings by not having to process invoices.

How to find out about our contracts

You will find a list of our current contracts and those due for renewal on our website. The Council encourages competition and welcomes bids from a wide range of businesses. Contracts are awarded on the basis of the most

economically advantageous solution for the Council taking into account whole life costs, quality and sustainability. The Council cannot discriminate in favour of local suppliers but they will be given every encouragement to compete for contracts

Where possible the Council will collaborate with neighbouring authorities to take advantage of economies of scales. This ensures that the Council gains greater value for money and in addition shares the costs associated with any procurement exercise. Malvern Hills District Council is a member of the Worcestershire & Warwickshire District Councils Procurement Group whose members include

Malvern Hills District Council
Wyre Forest District Council
Wychavon District Council
Bromsgrove District Council
Redditch Borough Council
Worcester City Council
North Warwick District Council
Warwick District Council

Approved Lists

The Council do not maintain a list of approved suppliers as they are considered to be anti-competitive. However, the Council does maintain a contract database which lists the Councils existing and up coming contracts with all the relevant data such as values and end dates. If you or your company would like to register an expression of interest in one of the contracts listed please email david.tirebuck@malvern hills.gov.uk

Advertising of Contract Opportunities

A tender value exceeding £5,000 but not exceeding £50,000 will be advertised on our website, www.malvern hills.gov.uk and on the Worcestershire County Councils e-portal <http://www.worcestershire.gov.uk/etendering/>

The County Councils website is free to register on and will issue email alerts when opportunities are posted. It is also linked into 'Find it in Worcestershire'

Where the contract value exceeds £50,000 but falls under the European threshold (i.e services and supplies £156,442 and works £3,834,411) the advertisement will be advertised in one or all of the below websites

www.malvern hills.gov.uk
<http://www.worcestershire.gov.uk/etendering/>
<http://www.contractsfinder.businesslink.gov.uk/>

Where the value of the contract falls within the European threshold it will also be advertised in the Official Journal of European Union (OJEU) provided a framework contract is not being used. OJEU can be accessed electronically via their website www.ojedaily.com in addition to www.mytenders.com.

Thresholds applicable from 1 January 2010 are given below. Thresholds are net of VAT.

Council Regulation 1422/2007 (L317/34 5/2/07). Sterling Equivalents were published in C301/01 13/12/07

PUBLIC CONTRACTS REGULATIONS 2006 - FROM 1 JANUARY 2010

	SUPPLIES	SERVICES	WORKS
Entities listed in Schedule 1 ¹	£101,323 (€125,000)	£101,323 ² (€125,000)	£3,927,260 (€4,845,000)
Other public sector contracting authorities	£156,442 (€193,000)	£156,442 (€193,000)	£3,927,260 (€4,845,000)
Indicative Notices	£607,935 (€750,000)	£607,935 (€750,000)	£3,927,260 (€4,845,000)
Small lots	£64,846 (€80,000)	£64,846 (€80,000)	£810,580 (€1,000,000)

There are different types of tendering procedures that can be adopted (i.e. Open, Restricted, Accelerated and Competitive Dialogue). Each procedure imposes minimum timescales covering the tender process to ensure that reasonable time to respond to adverts and prepare submissions is given to all interested parties.

Open Procedure- The contract is advertised and any firm who responds will be sent full tender documentation.

Restricted Procedure- Firms responding to the advert are required to complete a Pre Qualification Questionnaire (PQQ) to assess their suitability to tender for the contract. A shortlist is drawn up of the firms best able to meet the criteria; these firms only are sent full tender documents.

Competitive Dialogue- Used where the Council wishes to award a particularly complex dialogue and considers that the open or restricted procedure will not allow for the award of that contract. This route is only used where the contract is very complex and of a very high value.

A Notice of Contract Award must be placed in OJEU and unsuccessful tenderers de-briefed.

How to Tender for Council Contracts

When a supplier applies for a tender a set of tender documents will be issued and consist of

- Specification of the required goods or services
- Criteria for selection by which the tenderer will be selected
- The period of the Contract
- The Terms and Conditions of the Contract
- Details of Tenderer and references
- The Price Schedule upon which the tenderer submits the priced bid
- Form of Tender
- The time and date by which the tender has to be returned by
- Any additional information as considered appropriate to ensure the Council receives Best Value for money.

The amount and type of information requested will depend on the size and scope of the contract but is likely to include the following

Finance Information

In this section you are asked for certain financial information relating to your business for each of the last three years. If you are a Private Limited Company or a Public Limited Company you must submit fully audited accounts as registered with Companies House. Other applicants including voluntary and community organisation should forward copies of internal management accounts or a certified statement of turnover.

Equal Opportunities

The Council strongly supports equal opportunity, and equal access for all sections of the community. We strive to ensure the standards we expect internally are supported by our suppliers.

Health & Safety

All organisations are required to submit a Health & Safety Policy that refers to the Health & Safety legislation.

Sustainability

We are committed to the sustainable development of the Malvern Hills District an objective of the Council which aims at protection and enhancement of the environment. In order to promote this we expect our suppliers to demonstrate similar levels of environmental care and commitment.

All companies will undergo a financial health check before a contract is awarded.

Tender Evaluation

Returned tenders will be evaluated against pre-determined criteria. Evaluation will focus on examining how tender proposals deliver the service (quality) and the cost of the service (price) over the term of the contract.

The Council is obliged to tell suppliers the evaluation criteria and the associated weightings. The Council can only evaluate tenders and quotes on the criteria that has been communicated to the suppliers via the Tender/Quote documents

The Council will award the contract on the basis of "Best Value". The definition of Best Value is *"the purchase of all goods and services on the most advantageous terms and conditions having regard to value for money and including price, quality, quantity, reliability, fitness for purpose, timeliness and reliability of the delivery, economy over time, reliable after sales service, environmental considerations and total cost to the authority"*.

Contract Award

If you are successful in your tender submission you will be notified in writing and will be required to enter into a contract with the Council

Debriefing

If you are unsuccessful you will also be notified in writing. You are may also request feedback on why your tender submission was un-successful.

Contract Performance

All accepted suppliers are monitored throughout the contract period against the pre-defined performance criteria stated in the tender documents.

Contracts have to be delivered in accordance with the requirements set out in the contract documentation.

The Council is continuously striving to improve its performance and it expects its suppliers to do the same.
