

Dear Resident

Following our previous letter in January, this is to confirm that we are launching the Alternate Weekly Collection system from 2 April 2018.

From this date your rubbish will be collected one week and recycling the next week on a rotating basis.

Collections under the new system will begin on Easter Bank Holiday Monday, 2 April 2018 and we will be collecting **black bins/sacks first**.

Your collection day **is not** changing so please put your **black bin/sacks** out for collection on your usual day. On the back of this letter is a collection calendar to remind you which week is which. Please retain this for future reference.

Notes for households eligible for a black wheeled bin

If you have a green recycling bin you should have had a black wheeled bin delivered by now. If not, please call the waste changes hotline on 01684 862490.

All waste will need to be placed within the black bin. Any waste left outside the bin **will not** be collected. Bin lids also need to be shut otherwise your bin may not be collected. Only official Malvern Hills District Council bins will be collected.

Notes for households on sack collections

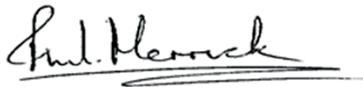

Only four black sacks of waste can be placed out for collection per fortnight or six if a larger household (see information booklet for details).

Sacks must be presented individually and not in any bin/container as this won't be emptied.

More information about the service, how it operates, advice on maximising recycling and reducing your waste is contained within the booklet which came with this letter.

We thank you for your support and co-operation while we introduce these changes.

Yours Sincerely

Phil Merrick
Head of Economy and Community
Malvern Hills District Council

Chief Executive: **Jack Hegarty**
