Q2. Which polling station or polling district are you commenting on?	
KEMPSEY, MHDC, WORCESTERSHIRE	

Q3. Please identify the capacity in which you are responding:	
County councillor	

Q4. Please provide your views on the suitability of the polling station or polling district: (consider parking provision, disabled access, location, lighting, security)	
<p>The village hall is at the centre of the village, it is a focal point near a safe traffic light controlled crossing on the A38. This A road is very busy with traffic often travelling at speed. The village hall has parking and has been quite able to cope with the numbers of residents who vote. The footways leading to the hall are lit and wide ensuring easy disabled access. There is not compelling reason to change the existing arrangements here.</p>	

Q5. If you are commenting on a polling station, please identify any other suitable venues in the area:	
I cannot think of another location in Kempsey that would be suitable, part of the way to the Youth Centre does not have a footway and it is not in the centre of the village.

VILLAGE HALL HAS BEEN UPDATED WITH OVER £140,000 SPENT ON IT. IT IS IDEAL AS A VOTING STATION and SERVES THE AREA WELL I am a Guarlford Parish Councillor as well and the local facility which has had an enormous amount of money spent on it should remain as the Polling Station for the area

NONE IN THE MIDDLE OF THE PARISH THE VILLAGE HALL SERVES THE DISTRICT MORE THAN ADEQUATELY and SHOULD REMAIN THE VENUE FOR THE POLLING STATION

Q2. Which polling station or polling district are you commenting on?
Leigh and Bransford Memorial Hall

Q3. Please identify the capacity in which you are responding:
Voter

Q4. Please provide your views on the suitability of the polling station or polling district: (consider parking provision, disabled access, location, lighting, security)
Accessibility to location is very poor. One mile from Leigh Sinton, a walk along narrow country road, no footpath, 60mph speed limit, no street lighting, no public transport. Only safe method is car. Previous location at L and B school was much better. Although I have a postal vote since COVID, I would prefer to vote in person, but feel discouraged from doing so by location of polling station.

Q5. If you are commenting on a polling station, please identify any other suitable venues in the area:
Return to L and B school. Is there suitable space at the Royal Oak?

Q7. Your details will only be used to contact you in relation to the above.
