## 7. CURRENT SPORT AND LEISURE PROVISION

### 7.1 Introduction

This section will summarise and build on previous work undertaken on behalf of the council, revisiting previous audits of existing sport and leisure provision and assessing local need based on available evidence.

The South Worcestershire Joint Core Strategy Sports Facilities Framework for Malvern Hills, Wychavon and Worcester City (2010), Herefordshire and Worcestershire Sports Facilities Framework Report (2010) and the Malvern Hills Playing Pitch Strategy (2010) are the most recent strategic documents addressing need in the district.

A high level audit of existing provision and assessment of need based on the findings of the above mentioned strategic documents. This section will summarise the key findings of this section.

### 7.2 Sports Halls

The district has 8 sports halls (4 badminton court size or larger) within its boundaries, as summarised in table 1 below.

**Table 1: Sports halls within Malvern Hills district**

	Site (Ward Location)	Built / refurbished	N° of Badminton Court	Access	Management

Overall, the district is generally well provided for in terms of sports halls, with a number of halls well distributed across and close to the district.

### 7.3 Swimming Pools

The district has 12 swimming pools within its boundaries, as summarised in table 3 below.

**Table 3: Swimming pools within Malvern Hills district**

Overall, although community access is limited in a number of facilities, and there are only two facilities that are widely available for use by the wider community, there are a number of facilities bordering the district which will also meet the swimming needs of many of the district's residents. Where demand is not being met by existing provision, efforts should be made to encourage and support those educational facilities with swimming pools to extend their community access arrangements to accommodate this additional demand.

## 7.4 Synthetic Turf Pitches

The district has 5 synthetic turf pitches (STPs) within its boundaries, as summarised in table 5.

**Table 5: STPs within Malvern Hills district**

	Site (Ward Location)	Built / refurbished	Size (m <sup>2</sup> )	Floodlit	Type	Access	Management
1	Malvern College (Priory)	2003 / 2005	6000	Yes	Sand	Sports club / community association	In house

There are also a number of STPs that are within relatively easy reach of the district's boundaries, and may be accessed by residents from within Malvern Hills district. All those facilities within 5 miles of the district border are listed in table 6.

**Table 6: STPs within 5 miles of Malvern Hills district boundary**

9	The Downs – Malvern College Preparatory School	2009	2520	No	Sand	Sports club / community association	In house

Overall, there is generally sufficient STP provision in the district and along its borders to meet the needs of existing district residents. The Herefordshire and Worcestershire Sports Facilities Framework Report recommend the provision of an additional STP to meet the additional demand created by the housing developments in the South Worcestershire Development Plan in the future.

## 7.5 Athletics Tracks

There are no athletics tracks within the district of Malvern Hills. However there are two tracks within 5 miles of the district boundary as summarised in table 7.

**Table 7: Athletics tracks within 5 miles of Malvern Hills district boundary**

	Site (Ward/LA Location)	Built / refurbished	N <sup>o</sup> of lanes	Floodlit	Type	Access	Management
1	Nunnery Wood Sports Complex (Nunnery / Worcester)	1994 / 2005	8	Yes	Synthetic	Pay and Play	Local Authority
2	Droitwich Spa High School (Droitwich West / Wychavon)	2001	6	No	Synthetic	Sports club / community use	Trust

The Herefordshire and Worcestershire Sports Facilities Framework Report identified the need for an athletics track within the district, possibly at Malvern College by 2016.

Consultation with Malvern College and Chase School highlighted their desire to develop an athletics track on their land and that they would be prepared to look at community use arrangements if funding supported this. SLC is of the view that there is sufficient provision for athletics adjacent to the district to make this less of a priority than other areas with higher demand, however it has been identified as a desirable addition to existing provision.

## 7.6 Health and Fitness

The district has 16 health and fitness facilities within its boundaries, as summarised in table 8 below.

**Table 8: Health and fitness facilities within Malvern Hills district**

	Site (Ward Location)	Built / refurbished	Stations	Access	Management
1	Abbey College (Wells)	2002	15	Private	In house

11 of these have some degree of community access (pay and play, sports club / community association, registered members), which have an aggregate of 447 stations. The remaining 5 facilities are private.

There are also a number of health and fitness facilities that are within relatively easy reach of the district's boundaries, and may be accessed by residents from within Malvern Hills district. Due to the sheer volume of health and fitness facilities within the vicinity, facilities within a 2 mile radius of the district border are listed in table 9.

**Table 9: Health and fitness facilities within 2 miles of Malvern Hills district boundary**

24	Teme Cleobury (... / Shropshire)	2001 / 2010	22	Pay and Play	Trust

SLC is of the view from its experience that overall and supported by the findings of the recent Needs Assessment for Malvern Splash, there is sufficient health and fitness provision in the area to meet the district's needs. However, further work may be required in areas of growth or as part of particular studies to explore making some facilities more sustainable through the improvement of health and fitness provision.

## 7.7 Indoor Bowls

The district has 1 indoor bowls facility within its boundaries, as summarised in table 10 below.

**Table 10: Indoor bowls facilities within Malvern Hills district**

	Site (Ward Location)	Built / refurbished	N° of Rinks	Access	Management
1	Manor Park Malvern Multisports Complex (Priory)	1986 / 2002	6	Sports club / community association	Trust

There is also 1 Indoor Bowls facility within relatively easy reach of the district's boundaries, which may be accessed by residents from within Malvern Hills district. This facility in Leominster is set out in table 11.

**Table 11: Indoor bowls facilities within 5 miles of Malvern Hills district boundary**

	Site (Ward/LA Location)	Built / refurbished	N° of Rinks	Access	Management
1	Bridge Street Sports Centre (Leominster North / Herefordshire)	1997	6	Pay and play	Trust

Overall, there is sufficient to meet the district's current and future needs.

## 7.8 Outdoor Bowls

The district has 5 outdoor bowls facilities within its boundaries, as summarised in table 12.

**Table 12: Outdoor bowls facilities within Malvern Hills district**

	Site (Ward Location)	Built / refurbished	N° of Rinks	Access	Management

There are also a number of outdoor bowls facilities within relatively easy reach of the district's boundaries, which may be accessed by residents from within Malvern Hills district. These facilities are set out in table 13.

**Table 13: Outdoor bowls facilities within 5 miles of Malvern Hills district boundary**

10	Ludlow Bowling Green – Bromfield Road (Ludlow / Shropshire)	...	...	Sports club / community association	Sports club

It is understood from consultation with the council and the Herefordshire & Worcestershire Sports Partnership that a number of bowls clubs are struggling with membership numbers and that there could be a benefit to exploring some clubs merging to bolster their potential longer term sustainability

## 7.9 Indoor Tennis

The district has 1 indoor tennis facility within its boundaries, as summarised in table 14.

**Table 14: Indoor tennis facilities within Malvern Hills district**

	Site (Ward Location)	Built / refurbished	N <sup>o</sup> of Courts	Type	Access	Management
1	Manor Park Malvern Multisports Complex (Priory)	1998 (3 <sup>rd</sup> Court built 2010)	3	Acrylic /	Sports club / community association	Trust

There are also a number of indoor tennis facilities within relatively easy reach of the district's boundaries, which may be accessed by residents from within Malvern Hills district. All those facilities within 5 miles of the district border are listed in table 15 below.

**Table 15: Indoor tennis facilities within 5 miles of Malvern Hills district boundary**

	Site (Ward/LA Location)	Built / refurbished	No of Courts	Type	Access	Management

3	David Lloyd (Lovett and North Claines / Wychavon)	2012	3	Other	Registered member use	Commercial

The strategic documents found that there is no identified need for additional facilities to meet current and future demand within the district. Facilities have been identified as being required in Worcester and Wychavon by 2021 which may ease demand on the existing facilities, and provide alternatives for local residents.

## 7.10 Outdoor Tennis

The district has 5 main outdoor tennis facilities<sup>1</sup> within its boundaries, as summarised in table 16 below.

**Table 16: Outdoor tennis facilities within Malvern Hills district**

	Site (Ward Location)	Built / refurbished	N <sup>o</sup> of Courts	Type	Floodlit	Access	Management

## 7.12 Multi Use Games Areas (MUGAs)

Nortoft's July 2010 Tennis and Multi Use Games Area Strategy for Malvern Hills district identified 14 MUGAs with secure community use within Malvern Hills district boundaries, located at the following sites:

### Above average quality

- Tenbury High School
- Dyson Perrins High School
- Dukes Meadow Park
- Malvern College Sports Centre
- The Chase Technology College

### Average quality

- Great Witley Village Hall
- Chantry High School
- MSJ Sports and Fitness Centre (2)
- Hanley Castle High School
- Public Tennis / Basketball Courts Upton Upon Severn

### Below average quality

- Powick Park
- Victoria Park (2).

Nortoft's July 2010 Tennis and Multi Use Games Area Strategies for Worcester and Wychavon identified 14 MUGAs with secure community within 5km of Malvern Hills district boundaries, located at the following sites:

### **Above average quality**

---

- Perdiswell Leisure Centre (Worcester)
- Warndon Community Centre (Worcester)
- Perry Wood Primary (Worcester)
- City Youth House (Worcester)
- KGV Community Centre Astro Turf (Worcester)

### **Average quality**

---

- KGV Community Centre (Worcester)

### **No comment on quality**

---

- Droitwich Leisure Centre Astroturf (Wychavon)
- Droitwich High School (Wychavon)
- Pershore College (Wychavon).

The strategic documents have identified the need for an additional 2 MUGAs to meet the needs of the district excluding additional demand created by the South Worcestershire Development Plan by 2026, and for approximately 2 additional MUGAs to service demand created by the large growth areas in the district according to the Nortoft Report (2010).

Upton Town Council is in the process of consulting on possible resurfacing of their courts which are now in a poor state of repair.

### 7.13 Grass Playing Pitches – Football, Rugby and Cricket

The district has a number of grass playing pitches facilities within its boundaries, as set out in table 20.

The strategic documents emphasise that there is currently a slight oversupply of full size football pitches and too few mini and junior football pitches. However, the audit undertaken suggests that many school pitches are designated solely for private use only. They also recommend extending the available pitch space near Malvern town by 6 ha by 2026.

The South Worcestershire Sport Facilities Framework Report identifies that an additional cricket pitch should be provided near Malvern town by 2026, and 2 ha and 1.8 ha of cricket pitch space will be required for the Worcester West and Worcester South Urban Extensions respectively.

The strategic documents also recommend that an additional 5 ha of rugby pitch space is developed by 2026 to meet demand from new housing developments.

## 7.14 Golf

The district has 4 golf facilities within its boundaries, as summarised in table 21 below.

**Table 21: Golf facilities within Malvern Hills district**
