
GUDIANCE FOR SITE OWNERS

Overview:

1. Please note that this guidance is not comprehensive and does not cover every eventuality.
2. The Mobile Homes (Requirement for Manager of Site to be Fit and Proper Person) (England) Regulations 2020 (“the Regulations”) introduce a fit and proper person test for site owners or the person appointed to manage the site. The purpose of the fit and proper person test is to improve the standards of park home site management.
3. An application must be made by a site owner, if they hold, or have applied for, a site licence for the site. An annual fee may also be applicable.

Definitions

4. “The applicant” is defined at paragraph 2 of the Regulations as “the person who makes an application under regulation 6”.
5. The “relevant person” is also defined at paragraph 2 of the Regulations to mean “the subject of the fit and proper person assessment under Regulation 7”.

14. The applicant is to provide further detailed information about responsible persons who have responsibilities for the day-to-day management of the site.

Declaration

15. It is important that you are aware that the declaration on the form is to make the site owner accountable for providing the correct information. It will ensure that where the site owner asks for information from the relevant person, a responsible person, or anyone else involved in the management of the site, to enable them to complete the application form, they do all they reasonably and legally can to ensure they receive and provide the correct information.
16. Please note that if it is later found that some or all of the information included in the form is false or misleading, the site owner could be prosecuted for a breach of the Regulations.

Local Authority decisions

18. Decisions and notifications by the Local Authority are expected to be made as soon as reasonably practicable. The Local Authority can decide to either:
- a) Grant the application unconditionally and include the person's name on the register for 5 years;
 - b) If they anticipate another decision – serve a preliminary notice on the applicant.
 - c) If a preliminary notice is served, this must include reasons for their decision and about the right to make representations about the preliminary notice.

19. The site owner has 28 days in which to make written representations if they do not agree with the preliminary notice.
20. The Local Authority must take into account any representations before making its final decision and issuing the final decision notice. This must be done as soon as reasonably practicable after the conclusion of the 28 day period.
21. A final notice must include reasons for the decision and about the right of appeal against the decision.

Review during inclusion

22. During inclusion on the register, the Local Authority will be able to review a person's inclusion if relevant new information comes to light.
23. Such review may result in removal from the register, addition, variation, or removal of a condition attached to a person's inclusion.
24. Following a review, of which the possibilities are outlined in paragraph 21 above, the Local Authority must issue a notice to the site owner setting out specified information about any action it intends to take.
25. The site owner will have 28 days in which to make representations which the Local Authority must consider before making a final decision on any action taken.
26. Having made a decision and taken the proposed action, the Local Authority must service a notice of action with 5 working days of the date of the action, setting out the details of the action that it has taken and include detail as to the right to appeal.

Amending preliminary decisions:

27. Malvern Hills District Council can withdraw or amend a preliminary decision before service of the final decision notice, or a final decision notice itself, before the decision to which it relates takes effect, or a notice of proposed action before the proposed action is taken, by serving a notice on the site owner.
