Please use the space below to make comments on this part of the Neighbourhood Plan.

Firstly, I would like to say what an excellent document this is. It is full of interesting facts, is clearly written and well-illustrated with maps, graphs and photographs. A very useful publication for the Community to fully understand exactly what an NDP can achieve.

“Where appropriate and relevant applicants should be able to demonstrate how new development:

a) Maintains Hallow’s green infrastructure “

The present ‘lock-down’ has shown a huge increase in the use of Public Right of Ways in Hallow and should be enhanced and extended where possible. The many PROWs are very much appreciated and have proved a boon in the present situation, their increased use will continue.

Please use a separate form for each representation.
