I support the whole plan.

Please use the space below to make comments on this part of the Neighbourhood Plan.

The plan seeks to protect natural habitats and green spaces and the designated spaces are welcome. The Design Code is needed as most recent developments could have been a better 'fit' with the existing village character and have a largely urban, generic appearance. The site for housing development makes sense as it is an extension to the current development, and is close to the recent Pinchfield Gardens development. Developing along the East of Main Road makes sense in terms of village layout, and avoiding sprawl into open countryside.

Please use a separate form for each representation.
