POLICY K10 EXISTING & FUTURE COMMUNITY RECREATION & SPORT

Please use the space below to make comments on this part of the Neighbourhood Plan.

I have been closely connected with Kempsey for 50 years and have seen the village grow dramatically in population. Kempsey is a good village for expansion, but for sometime the Community Recreation and Sporting facilities have fallen badly behind the increase of population. The proposed site K10B1 of 15 acres is a fantastic opportunity to provide all the required facilities and would also be more than adequate for further development in the future.

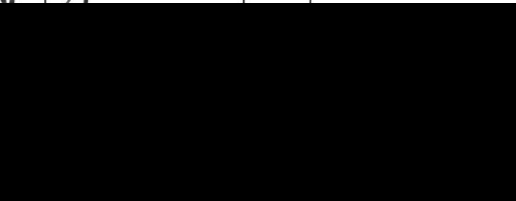

Please use a separate form for each representation.
