Please state which part of the draft Neighbourhood Plan (i.e. which section, objective or policy) your representation refers to. Please submit a separate form for each representation you wish to make.

Proposed football pitches

Please use the space below to make comments on this part of the Neighbourhood Plan.

Increased noise pollution coming from the football grounds & spectators.
Increase in traffic along the A4103. It is already too busy & speeding is a real problem along that stretch outside the school. There have already been fatalities.
Interruption to the view of the Malvern hills. Conservation of this area of outstanding natural beauty is paramount.
Soakaway/drainage is of concern. The surrounding fields & gardens already flood when it rains & take days to dry up. I believe this would only exacerbate the problem.

Would you like to be notified of the decision on the Neighbourhood Plan proposal?

Yes
