

[REDACTED]

Dear Sir/Madam

[REDACTED]

25th November 2018

Hayston Fields

I wish to object to any developments building on Hayston Fields. They are designated as Neighbourhood Green Space and should remain as such. The fields are used as footpaths and also used for recreation and also are appreciated for their quietness and give lovely views towards the Hills. Their amenity value is priceless and really enhances people's quality of life.

I therefore wish to support the proposal that Hayston Fields remain designated as Neighbourhood Green Space.

Yours faithfully,

[REDACTED]
