Proposed Neighbourhood Green Space at Hayslan Fields Malvern

Please use the space below to make comments on this part of the Neighbourhood Plan.

I strongly endorse the Pickersleigh Residence Group (PRG) proposal dated 18th November that Hayslan Fields be designated Neighbourhood Green Space. In particular the proposal reiterates that the designation is aligned with the findings of the SWDP and is given special mention as a good example of Green Space in private ownership.

Furthermore, there have been many judgements over the years (December 1984 to July 2016) confirming Hayslan Fields value as a significant amenity for the community. Three recent events are worth re-stating:

- (1) February 2016: SWDP formally adopted with SWDP Inspectors Report highlighting Hayslan Fields as a good example of Green Space in private ownership.
- (2) July 2016: Appeal by the developer to build on Hayslan Fields was dismissed by the Inspector.
- (3) November 2018: Emerging Neighbourhood Pan submitted – Hayslan Fields designated Neighbourhood Green Space.

Please use a separate form for each representation.
