1. What is a Local Development Scheme?

- 1.1 The Local Development Scheme (LDS) is a project management document which sets out the Council's priorities for producing planning policy documents over the coming three years. It is a requirement of the Planning and Compulsory Purchase Act 2004 (as amended) that each Local Planning Authority should produce an LDS, which must include any Development Plan Documents it intends to publish and a timetable indicating the main milestones of production. The 2004 Act sets out a number of other requirements to be included in an LDS
- 1.2 Since October 2010, Malvern Hills District Council has been working with Worcester City Council and Wychavon District Council to produce the joint South Worcestershire Development Plan (SWDP). Joint working on this strategic document has brought together many other work streams and has also created the need for further joint work in the future. The three South Worcestershire Councils will therefore continue to combine resources on many planning policy matters and have worked collaboratively to prepare the shared elements of this LDS.
- 1.3 The current LDS, published in September 2014, was prepared on the basis of the published SWDP timetable and associated work programmes available at that time. The LDS now needs to be updated to reflect changes to ensure it provides a useful source of information for interested parties. The intention of this revised Document is threefold:
- to report the progress made since the publication of the current LDS;
 - to inform interested parties of the changed timetable for the examination process and adoption of the SWDP; and
 - to provide a revised schedule for the preparation of the Supplementary Planning Documents.
- 1.4 The revised schedule presented in this Update to the Local Development Scheme will come into effect on 2 October 2015, in line with the resolution of Malvern Hills District Council and the associated Council meetings on 30 September 2015, at Worcester City and Wychavon District councils.
- 1.5 The easiest place to view the 2015 Local Development Scheme is on the Planning Policy pages of the Malvern Hills District Council website, at: www.malvern hills.gov.uk/local-development-scheme. A printed copy is also available to view from the **Worcestershire Hub Customer Services Desks** which are located at the libraries in Malvern, Tenbury Wells and Upton upon Severn.

If you have any questions about the LDS or how to access it, please contact us by:
Email: developmentplans@malvern hills.gov.uk **tel:** 01684 862151
and ask for the Planning Policy team.

2. Progress to date

Progress since publication of the September 2013 Local Development Scheme

South Worcestershire Development Plan

- 2.1 As set out in the 2013 LDS the SWDP was submitted to the Secretary of State for examination on 28 May 2013.
- 2.2 The SWDP is still undergoing the examination process (subject to Main Modifications and subsequent consultation) although the hearings are now complete. It is anticipated that the inspector's Final Report will be received in early 2016 at which point the Inspector's examination will be completed and the Council will be able to initiate the adoption of the Plan.
- 2.3 The Stage 2 Hearings took place during the first half of 2015. The hearings considered the entire plan including the Main Modifications proposed by the Councils at their meeting on 30 September 2014 which related to the uplift in the housing requirement following Stage 1 of the Examination. At the Council meeting to be held on 22 September 2015 Members will consider the further proposed Main Modifications and the proposed arrangements for the Inspector's consultation on these. The outputs of this work will inform :
- Either**
- the preparation of his Final Report
- Or**
- Whether further work or modifications by the Councils are required. In this case additional hearings and consultation will be required leading to further delay.
- 2.4 The SWCs anticipate receipt of the Inspector's Final Report (assuming no further consultation or modifications are required) in early 2016. The precise timing of this report will be decided by the Inspector.

Minerals and Waste planning

- 2.5 This is carried out by Worcestershire County Council (WCC). The Worcestershire Waste Core Strategy Development Plan Document was adopted in November 2012.
- 2.6 Worcestershire County Council is currently preparing a new Minerals Local Plan for Worcestershire. The document will guide how much and what minerals the County needs to be able to supply, where minerals should be extracted and how sites should be "restored" when minerals working has finished. Once adopted, the Minerals Local Plan will be used to make decisions about planning applications for mineral extraction, processing and restoration in the County.
- 2.7 In summer 2015 the County Council undertook a further "call for minerals sites" together with a "call for resources and infrastructure that should be safeguarded".
- 2.8 A separate Minerals and Waste Local Development Scheme has been produced by Worcestershire County Council and is available on their website. It is anticipated that the Minerals Local Plan will be submitted for examination in Spring/ Summer 2017 with eventual adoption anticipated in Summer/Winter 2018.

Neighbourhood Plans

2.9 At the time of reviewing the Local Development Scheme the following status applied across the south Worcestershire area:

Council	Neighbourhood Areas Designated	Current applications to designate Neighbourhood Areas	Neighbourhood Plans out for consultation
Malvern Hills District	10	1	0
Worcester City	0	0	0
Wychavon District	11	0	2

Supplementary Planning Documents

2.10 Due to the delays in preparing the South Worcestershire Development Plan, progress on producing the associated SPDs has also been affected. In the majority of cases, planned SPDs such as Developer Contributions and Affordable Housing are planned to provide further detail on updated strategic policies in the SWDP.

Existing Development Plan for Malvern Hills District

2.11 Whilst an updated development plan and local planning policy framework is being produced, the Council's existing Development Plan currently comprises of:

- Saved Policies from the Malvern Hills Local Plan (adopted 2006). *These policies are reproduced at Appendix B of this document for information.*
- Worcestershire Waste Core Strategy Development Plan Document (adopted 2012)
- Saved Policies from the Hereford and Worcester Minerals Local Plan (adopted 1997)

These are the documents which provide the planning policies that planning applications should be determined against (unless material considerations indicate otherwise) at the time of reviewing this LDS.

2.12 As part of its promotion of the Localism agenda, the Government has abolished the regional tier of planning policy and revoked the last of the saved sub-regional policies. Therefore for the avoidance of doubt, the following documents no longer form part of the Development Plan for Malvern Hills District::

- West Midlands Regional Spatial Strategy 2004
- Worcestershire Structure Plan 1996-2011

Both were formally revoked on 20th May 2013 by [Direction of the Secretary of State](#)

Existing local planning policy framework

2.13 The wider planning policy framework for Malvern Hills consists of the following Supplementary Planning Documents/ Supplementary Planning Guidance:

- Affordable Housing in Malvern Hills District– adopted 2004
- North Site, Malvern (development brief) SPG 2004
- Concept Statement- Malvern Community Hospital Site, Lansdowne Crescent, Malvern –August 2006
- House Extensions SPD – August 2006

Malvern Hills Local Development Scheme 2015 -2018

- The Reuse of Rural Buildings SPD- August 2006
- Developer Contributions and Planning obligations SPD- Dec 2006
- Education Contributions – 2007
- Open Space SPD- August 2008
- Local List of Heritage Assets SPD –February 2015

3. Development Plan Documents

- 3.1 At Malvern Hills District Council, the Development Plan Documents to be produced over the next three years are:
- South Worcestershire Development Plan (Joint with Worcester City and Wychavon District Councils)
 - Traveller and Travelling Showpeople Site Allocations DPD (Joint with Worcester City and Wychavon District Councils)
- 3.2 Once adopted, the South Worcestershire Development Plan will be subject to a review in accordance with the timescales set out in the plan.
- 3.3 The following section sets out the content and timetable for producing the above documents. All references to Regulations in this section refer to [The Town and Country Planning \(Local Planning\) \(England\) Regulations 2012.](#)

3a South Worcestershire Development Plan

Overview	
Role and content	The plan sets out the Vision, Objectives, Spatial Strategy and policies for the future development of the South Worcestershire area. Adoption (Regulation 26)	February/March 2016

3b. Travellers and Travelling Showpeople Site Allocations DPD

Overview	
Role and content	The Travellers and Travelling Showpeople Site Allocations DPD will set out the updated requirement for the number of sites and pitches to be provided to meet the needs of gypsies, travellers and travelling showpeople in the area over the coming years. It will then allocate sites or extensions to existing sites to meet this requirement
Status	Development Plan Document
Geographical coverage	The DPD will cover the administrative area of Malvern Hills District.
Jointly produced	YES. A joint Gypsy and Traveller Accommodation Assessment has been produced by consultants arc4 for all six of the Worcestershire local authorities. The DPD itself will be produced to the same timetable as the equivalent DPDs for Worcester City Council and Wychavon District Council, to allow for further efficiencies and joint consultations.
Chain of conformity	Planning policy for traveller sites, case law and planning legislation

Timetable (Completed Stages are shown in BLUE/Bold)	
Commencement	September 2014
Initial consultation (Regulation 18)	January- February 2016
Publication (Regulation 19)	July 2016
Submission (Regulation 22)	November 2016

Receipt of Inspector's Report (Regulation 25)	June 2017
Adoption (Regulation 26)	July 2017

4 Other important policy documents

- 4.1 At Malvern Hills District Council, a number of other planning policy documents will be produced or refreshed over the next three years. These documents are not part of the Development Plan, but it is important to set out the likely content and timetable so that interested parties are made aware at the earliest opportunity of forthcoming consultations. These documents are:
- Community Infrastructure Levy Charging Schedule
 - Statement of Community Involvement
- 4.2 The following section sets out the content and timetable for producing the above documents. The regulations governing the production of the Community Infrastructure Charging Schedule are set out in [The Community Infrastructure Levy Regulations 2010](#) (as amended). There are no longer any regulations governing the production stages of the Statement of Community Involvement, but the requirement to prepare one is set out in Section 18 of the [Planning and Compulsory Purchase Act 2004](#) (as amended).

4a. Community Infrastructure Levy Charging Schedule

Overview	
Role and content	The Community Infrastructure Levy (CIL) Charging Schedule will allow a tariff to be applied to qualifying development in Malvern Hills. This will allow funding to be secured for infrastructure that is needed as a result of development in the area. The tariff will be applied per m ² of additional floorspace (gross internal area). The rate of the tariff will be determined by examining the ability of the development to bear the charge without unduly affecting viability.
Status	Non Development Plan Document
Geographical coverage	The Community Infrastructure Levy will cover the Malvern Hills District administrative area. There may be a zero rate charge for some areas/ types of development in the authority, but this will be specified in the Charging Schedule.
Jointly produced	YES. A joint evidence base including Viability Study has been prepared across the Worcestershire authorities by HDH Planning and Development. This has been prepared and published in various stages since January 2013. The CIL Charging Schedule for Malvern Hills will also be produced alongside those for Worcester City Council and Wychavon District Council. The intention is that the Charging Schedules will be jointly prepared and examined, but in order to comply with the Regulations, three separate Charging Schedules are required. These will be adopted separately by each of the Councils.
Chain of conformity	An up-to-date Development Plan is required to introduce CIL. This will be provided by the South Worcestershire Development Plan (when adopted). The Charging Schedule will also need to comply with the Community Infrastructure Levy Regulations, the National Planning Policy Framework, the National Planning Practice Guidance, and Part 11 of the 2008 Planning Act and Part 6 of the Localism Act 2011.

Timetable (Completed Stages are shown in BLUE/Bold)	
Commencement	May 2012
Consultation on Preliminary Draft Charging Schedule (PDCS) (Regulation 15)	PDCS – prior to housing numbers uplift: September – October 2013 PDCS - Revised to take account of housing numbers uplift: (February- March 2015)
Publication of Draft Charging Schedule (Regulation 16)	March 2016
Submission (Regulation 19)	July 2016
Independent Examination	August 2016 <i>Precise dates of examination hearing sessions will be determined by the Examiner</i>
Receipt of Examiner's Report	November 2016

Timetable (Completed Stages are shown in BLUE/Bold)	
(Regulation 23)	
Adoption (Regulation 25)	December 2016 <i>Adoption of the SPD to align with adoption of CIL Charging Schedule in line with advice in para 87 of 2013 CIL Guidance</i>
Levy takes effect (Regulation 28)	January 2017

4b. Statement of Community Involvement

Overview	
Role and content	Malvern Hills District Council has an adopted Statement of Community Involvement (SCI) which was adopted in 2014. The document was been reviewed to reflect changes both to the way planning policy documents are produced and the planning system in England more generally, including the introduction of Neighbourhood Development Plans. The Statement of Community Involvement sets out how the Council will consult on planning applications.
Status	Non Development Plan Document – Local Development Document
Geographical coverage	The SCI covers the Malvern Hills District Council administrative area. It will be consistent with those of Wychavon and Malvern Hills in relation to joint working.
Jointly produced	The SCI was jointly produced across the South Worcestershire authorities.
Chain of conformity	Planning and Compulsory Purchase Act 2004 (as amended), National Planning Policy Framework and case law.

Timetable (Completed Stages are shown in BLUE/Bold)	
Commencement	August 2013
Consultation	15 November 2013 – 3 January 2014
Adoption	October 1 2014

5. Supplementary Planning Documents

- 5.1 At Malvern Hills District Council, a number of other planning policy documents known as Supplementary Planning Documents will be produced or refreshed over the next three years. These documents are not part of the Development Plan, but it is important to set out the likely content and timetable so that interested parties are made aware at the earliest opportunity of forthcoming consultations.
- 5.2 Supplementary Planning Documents provide further detail to policies in a Development Plan Document, to assist in their implementation. The Supplementary Planning Documents currently under production are:
- Developer Contributions (Joint)
 - Affordable Housing (Joint)
- 5.3 In addition, should the SWDP be adopted as scheduled, it is intended to commence the production of a further two SPDs in calendar year 2016:
- Renewable Energy and Low Carbon (Joint)
 - Health (Joint)
- 5.4 It is the south Worcestershire Councils intention to take forward a further five SPDs as and when available resources permit:
- Design Guide (Joint)
 - Sustainable Drainage Systems and Water Management (Joint)
 - Archaeology and Historic Environment (Joint)
 - Biodiversity (Joint)
 - Parking Standards in New Development.
- 5.5 The following section sets out the content and timetable for producing the above documents. All references to Regulations refer to [The Town and Country Planning \(Local Planning\) \(England\) Regulations 2012](#). Further Supplementary Planning Documents that are not listed in this section may also be produced in response to specific policy or site issues.

5a. Developer Contributions SPD

Overview	
Role and content	<p>The Developer Contributions Supplementary Planning Document will detail the process the Council will undertake to secure direct and financial contributions from development via Section 106 agreements and Unilateral Undertakings. Contributions are needed to make sure that new development contributes positively to the local environment and helps to mitigate against any adverse impacts.</p> <p>The SPD will sit alongside the CIL Charging Schedule to make clear the Councils' approach to securing contributions by all funding methods. It will also help to clarify the relationship between CIL and Section 106 agreements. It will be a key tool for the Development Management team in securing maximum planning gain from development.</p>
Status	Supplementary Planning Document
Geographical coverage	The Developer Contributions SPD will cover the South Worcestershire authorities of Malvern Hills, Worcester and Wychavon.
Jointly produced	<p>YES.</p> <p>The Developer Contributions SPD will be jointly prepared for the three South Worcestershire authorities of Worcester City Council, Wychavon District Council and Malvern Hills District Council but it will be separately adopted by each of the Councils.</p>
Chain of conformity	SWDP Policy 7: Infrastructure, SWDP 62: Implementation, Community Infrastructure Levy Charging Schedule/Regulation 123 List, National Planning Policy Framework, Community Infrastructure Levy Guidance, planning legislation and case law

Timetable (Completed Stages are shown in BLUE/Bold)	
Commencement	August 2013

Consultation (Regulation 13)	December 2016- January 2017
Adoption (Regulation 14)	August 2017

5d. Health SPD

Overview	
Role and content	The Health Supplementary Planning Document will set out the South Worcestershire Councils' approach to planning for health. It will principally provide guidance for developers in the preparation of planning applications to ensure opportunities for healthy living and active lifestyles are made in line with, and complement local authorities' new statutory health responsibilities. This can include for example the provision of accessible open space and facilities, opportunities for sustainable transport options such as cycling, access to health and well- being facilities and the impact of secondary health benefits such as mental health. It will also assist elected members and council officers in determining planning applications.
Status	Supplementary Planning Document
Geographical coverage	The Health SPD will cover the South Worcestershire authorities of Worcester, Wychavon and Malvern Hills.
Jointly produced	YES. The Health SPD will be jointly prepared for the three South Worcestershire authorities of Worcester City Council, Wychavon District Council and Malvern Hills District Council but it will be separately adopted by each of the Councils. Its preparation will also involve collaboration with other key stakeholders including Worcestershire County Council, Public Health Team and south Worcestershire Health Community (CCG) the NHS Commissioning Board and the Voluntary and Community Sector.
Chain of conformity	SWDP 1: Overarching Sustainable Development principles; SWDP 4 Moving around South Worcestershire, SWDP 5 & 38 Green Infrastructure, and Local Green Network; SWDP 7 Infrastructure, SWDP 21 Design, SWDP 37: Indoor Leisure and Community Facilities, SWDP 39 Provision for outdoor Community Uses in New Development , National Planning Policy Framework, planning legislation and case law

6. Resources

- 6.1 The work to deliver the planning policy documents within the LDS will be dependent on continued joint working between the three South Worcestershire Councils as this has been proved to be a more efficient and effective way of working. The work will be undertaken using existing resources and within existing governance structures in each of the three districts.

7. Risk Assessment

7.1 The Council recognises that there are risks in delivering the documents set out in the Local Development Scheme. Some of these risks are within the Council's control and some are not. Table 1 identifies the main areas of risk, their impacts and the ways to overcome them so that the programme in the Local Development Scheme can be delivered.

Table 1: Risk Assessment

Area of risk	Likelihood/Impact and Consequence	Mitigation
Adequate staff resources	<ul style="list-style-type: none"> • Unable to complete documents on time and to the required standard • Consequential programme slippage • At the extreme – DPDs and SPDs may be withdrawn e.g. if found unsound or subject to successful legal challenge • Consequential increased risk of inappropriate, speculative planning applications if there is no up-to-date Local Plan 	<ul style="list-style-type: none"> • Joint working with SW Councils and County Council • Ring fence policy teams dedicated to plan production • Employ temporary staff/consultants (subject to resource availability)
Funding pressure on resources	<ul style="list-style-type: none"> • Loss of resources to fund plan making, resulting in programme slippage • Consequential increased risk of inappropriate speculative planning applications if there is no up to date Local Plan 	<ul style="list-style-type: none"> • Protocols agreed by the SW Councils for budgets and shared costs • Provision of schemes to influence budgetary decisions • Monitoring of costs and budget spend/profiles
Council procedures and Corporate commitments	<ul style="list-style-type: none"> • Risk of programme slippage • Consequential increased risk of inappropriate, speculative planning applications if there is no up to date Local Plan • Risk to the Council's reputation 	<ul style="list-style-type: none"> • Leader's meetings to coordinate strategy • Robust programme management through the Project Manager • Joint Advisory Panel to advise Councils on plan production • Joint Officer Steering Group to oversee plan production process • Joint Officer Team to manage plan production process • Awareness of consultations and Council diaries
Neighbourhood planning	<ul style="list-style-type: none"> • Insufficient staff resource available to meet legal requirements in the provision of technical advice and support to Town and Parish Councils • Insufficient funding to 	<ul style="list-style-type: none"> • Maintain contact with Town and Parish Councils to ascertain scale and type of work required from the LPAs • Assess the extent to which neighbourhood plans deliver the LDS

Malvern Hills Local Development Scheme 2015 -2018

Area of risk	Likelihood/Impact and Consequence	Mitigation
	resource LPA support • Diversion of staff resources from preparation of DPDs and SPDs	• Assessment of neighbourhood plans to influence budgetary decisions • Seek Government funding for resources
Changes to external context	• Unable to meet requirements of national policy and guidance • Insufficient flexibility and resilience to meet economic / environmental / social changes	• Monitor policy announcements and consultations • Assess Local Plan/SPD consistency with policy • Use of latest guidance • Monitor future trends, use of Foresight intelligence
Time required for consideration, consultation and decision making	• Insufficient time to meet standard lead in times to decision making • Significant level of responses to consultation • Additional scrutiny stage(s) • Programme slippage	• Coordination of Council meeting dates • Project management • Awareness of Council diaries and constitutions and protocols for decision making • Awareness of events such as elections and holidays • Use of delegated decisions route • Efficient/effective handling of responses
Capacity of the Planning Inspectorate and outcomes of their recommendations	• PINS unable to meet demand for DPD examination leading to delay in adopting plan	• Provide LDS to PINS as early as possible – to identify DPD production • Regular liaison with PINS • Monitor Inspector's reports and High Court Challenges and draw up/use lessons learnt

8. Monitoring and review

Monitoring

- a. There is a requirement to monitor the implementation of the Local Development Scheme¹ and hence progress made in producing Local Plans and Supplementary Planning Documents through an Authority Monitoring Report (AMR). An AMR must be produced at least each year, and must cover a period not greater than 12 months long. The AMRs must cover a continuous period, with no gap in coverage between reports.
- b. In relation to each document included within the Local Development Scheme, monitoring must be carried out on:
 - the timetable included for that specific document;
 - the stage that the document has reached in the production process; and
 - if the document is behind the timetable set out in the LDS, the reasons for this.
- c. An AMR will be produced jointly across South Worcestershire each year and will be made available on the Councils' websites as soon as it has been finalised. The AMR will be reported by the Local Planning Authority to the Joint Advisory Panel (or equivalent) who are likely to perform a revised role in the future to oversee the implementation of the SWDP. As well as progress in plan-making, this will be the opportunity to report on the monitoring indicators in adopted Local Plans to assess policy performance. The AMR will provide the evidence for the LPAs to consider whether there is a need to review the Local Plan prior to the date of review set by the Local Plan.

Review of the LDS

- d. In response to the yearly monitoring against the Local Development Scheme, the South Worcestershire LDS Project Plan/Gantt Chart (contained at Appendix A) will be updated each year as necessary to provide real time information of any significant slippage. Anticipated delays or actual slippage against the published timetable will be addressed, with realistic revisions to key milestones proposed. Once agreed, updated Project Plans will be made available on the Councils' website. It is anticipated that this will take place at the start of each calendar year.
- e. The Local Planning Authority anticipates that the next full review of the LDS will be in 2016. A further review will occur shortly prior to the start of the review of the South Worcestershire Development Plan. The latter is due in 2019. This is subject to the LPA's consideration of any significant changes for example in legislation, national policy or circumstances that impact on plan-making or the delivery of strategy and policy.
