LIST OF FIGURES	Page No.
2.1: Analysis areas in Malvern Hills District	45
2.2: Open spaces visited in the previous 12 months (residents only)	24
2.3: Reasons for usage of open space in the previous 12 months	25

MALVERN HILLS DISTRICT COUNCIL OPEN SPACE, SPORT & RECREATION STUDY: ASSESSMENT REPORT

LIST OF FIGURES	Page No.
2.4: Reasons for non-usage of open spaces (proportion of all respondent)	26
2.5: Perception of quality	27
2.6: Perception of availability	28
2.7: Importance of open spaces	29
2.8: Importance of sport recreation facilities	30
2.9: Importance of village halls/community centres	31
4.1: Frequency of usage of parks in the previous 12 months	52
4.2: Time prepared to travel to access a park	53
4.3: Quality of provision of parks	54
4.4: Availability of parks	55
4.5: Parks and gardens mapped against settlement areas with catchments applied	59
5.1: Frequency of usage of nature areas in the previous 12 months	66
5.2: Time prepared to travel to reach a nature area	67
5.3: Quality of provision of nature areas	68
5.4: Availability of natural and semi-natural greenspaces	69
5.5: Natural and semi-natural greenspaces mapped against settlement areas with catchment areas applied	72
6.1: Frequency of usage of footpaths/cyclepaths in the previous 12 months	79
6.2: Time prepared to travel to reach a footpath/cyclepath	80
6.3: Quality of provision of footpath/cyclepath	81
6.4: Availability of footpaths/cyclepaths	82
6.5: Green corridors mapped against settlement areas	84
7.1: Frequency of usage of grassed area on housing estate in the previous 12 months	90
7.2: Time prepared to travel to reach a grassed area on housing estate	91
7.3: Quality of grassed area on housing estate	92
7.4: Availability of grassed area on housing estate	93
7.5: Amenity greenspace sites mapped against settlement areas with catchment applied	95
8.1: Frequency of usage of play areas for children & teenagers in the previous 12 months	102
8.2: Time prepared to travel to access a play area for children & teenagers	103
8.3: Quality of play areas for children & teenagers	104
8.4: Availability of play areas for children and teenagers	105
8.5: Play areas mapped against settlement areas with catchment areas applied	108
9.1: Frequency of usage of parks in the previous 12 months	121
9.2: Time prepared to travel to access an allotment	122
9.3: Quality of provision of allotments	123
9.4: Availability of allotments	124
9.5: Allotment sites mapped against settlement areas with catchments applied	128
10.1: Frequency of usage of cemeteries/churchyards in the previous 12 months	135

MALVERN HILLS DISTRICT COUNCIL OPEN SPACE, SPORT & RECREATION STUDY: ASSESSMENT REPORT

LIST OF FIGURES	Page No.
10.2: Time prepared to travel to reach a cemetery/churchyard	136
10.3: Quality of provision of cemetery/churchyard	137
10.4: Availability of cemeteries/churchyards	138
10.5: Cemeteries sites mapped against settlement areas with catchment applied	140
11.1: Frequency of usage of civic space/non-green spaces in the previous 12 months	146
11.2: Time prepared to travel to reach a civic space/non-green space	147
11.3: Quality of provision of civic space/non-green space	148
11.4: Availability of civic space/non-green space	149
11.5: Civic space sites mapped against settlement areas with catchment areas applied	151
14.1: Location of football pitches in Malvern Hills District	164
15.1: Location of cricket pitch sites in Malvern Hills District	184
16.1: Location of rugby union pitches in Malvern Hills District	200
17.1: Location of STP hockey sites with 15 minute drive times	213
18.1: Location of bowls facilities in Malvern Hills District	217
20.1: Location of golf courses with 20 minute drive time catchment	224
21.1: Location of athletics facilities with 30 minute drive time catchment	227
25.1: Location of sports halls (min 4 court) in Malvern Hills District (with 15 minute drive time catchments)	241
26.1: Location of swimming pools in Malvern Hills District with 15 minute drive time catchments	250
27.1: Location of fitness facilities in Malvern Hills District	255
28.1: Location of squash courts in Malvern Hills District (with 15 minute drive time catchments)	257
31.1: Location of village halls/community centres in Malvern Hills District	262
32.1: School facility distribution mapped against population density in Malvern Hills District	267
33.1: Example of catchment mapping	272
33.2: Example of catchment mapping	272

LIST OF TABLES	Page No.
1.1: PPG17 definitions	34
2.1: Maximum scores for quality and value of open spaces in Malvern Hills District	40
2.2: Summary of catchment areas	42
2.3: Methodology to calculate play catchment areas	43
2.4: Settlement hierarchy – minimum levels of provision	44
2.5: Analysis areas by wards	45
3.1: Quality scores for all open space typologies	48
3.2: Value scores for all open space typologies	50
4.1: Distribution of parks and garden sites by analysis area	56
4.2: Settlement hierarchy – parks and gardens	57
4.3: Gaps in provision of parks and gardens across Malvern Hills District	57
