

## **Appendix 3**

### **Key to Panel Comments**

Panel form – “Site ref” refers to the title and number of the site and uses codes according to the name of the Local Authority and the relevant town/village.

e.g. MHMT01 – Malvern Hills District Council, Malvern, site number 01

The codes are set out below:

WY – Wychavon District Council;

MH – Malvern Hills District Council;

WO – Worcester City Council

Land owners attitude: this has number codes as follows:

1. Support
2. Non-support
3. Unknown

NB It should be emphasised that not all sites will have gone to a Developability Panel as explained in the main document.
